COME TO THE TABLE:

Strip us down to our bare souls, and we're all pretty much alike. The women of the Bible are no exception. From Sarah, who struggled with infertility and anger, to Leah, the unloved wife; from Rahab, the faith-filled prostitute, to Bathsheba, who buried her husband and infant son... We see our own hearts reflected in their broken stories. Yet, these women were hand-picked by God for His family. He is inviting you into His story as well. There's a place for you at His table!

ATTENDEES WILL:

- Realize God is pursuing them with love no matter where they are or what they've been through.
- Hear the truth of the gospel.
- Be encouraged and inspired to go deeper in their walk with God.

WHAT OTHERS ARE SAYING:

"Teresa's presentation was marked with honesty, humility, and great truths from God's Word. Our ladies not only enjoyed listening to her, but many also said they were encouraged and challenged. I was personally blessed by the way Teresa proclaimed the Gospel in a way every woman could relate to." - Jill O, Women's Ministry Director, FL

"It is a wonderful thing to find a woman's speaker who can unashamedly invite others into a deeper walk with God and at the same time connect with them in such a personal manner. Teresa is that person." Ken Riley, Director of Lake Ann Camp - MI
